HOT CONTEST ASSURED IN FIGHT FOR NORTH END SUPERVISOR'S POST

Council Denies Claim Filed By Ex-Engineer

Daly City council Monday night denied a claim for \$10,000 filed by Julius F. Castelan, former city engineer.

The bill included claims for \$1500 for duties as building, plumbing and electrical inspector; \$500 for purchasing agent; \$500 for bus superintendent; \$5000 for superintendent of streets on the South End WPA project; and \$2500 for work on the Junipero Serra sewer project.

The last-named item, \$2,500 for superintending the Junipero Serra project, exceeded the cost of the sewer itself, which was approximately \$2200.

The parks and playground committee reported that the lawn at Vista Grande park was dying for lack of the proper base. Following the recommendation of John Fleming, San Francisco lawn authority in charge of all golf links under John McLaren, the city council passed a motion providing that the lawn be spiked, fed with sand and fertilizer, and planted with additional seed. August Council of the Lake Merced Nurseries will supervise the work.

Bids for a new switchboard to be installed at the pump house on Niantic and Citrus streets were opened and laid over for further study.

Two complaints from private property owners were referred to Mayor John J. Fahey for investigation. An application from San Francisco Peninsula Incorporated for \$500 for advertising purposes was rejected.

The council adjourned until tomorrow (Thursday) evening, at which time it is planned to pass upon the budget for the next fiscal year.

Daly City Nears \$500 In Drive For War Refugees

Daly City has almost reached the \$500 mark in the current Red Cross campaign for funds to aid Europe's stricken war refugees. A. J. Bodien, chairman of the local committee, reported Monday night.

This figure is well in excess of Daly City's original quota of \$300. The drive, supported only by voluntary donations, is sponsored by the city council in conjunction with the San Mateo county chapter, American Red Cross.

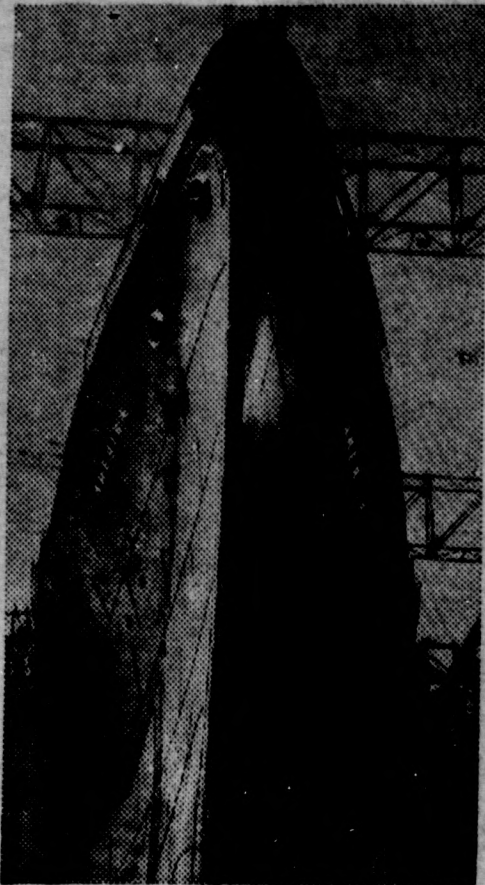

"Every penny is needed," Bodien said today. "This is a cause to help those without food, home or clothing—the innocent victims of the world's most destructive war. The importance of this cause cannot be over-estimated."

Every organization in Daly City has been contacted by the local committee, and responses are coming in generously, Bodien said. City employees contributed one hundred per cent.

Contributions should be left at the local branch of Bank of America, San Jose and Mission streets. Any donation, however small, will help to some extent to reduce the suffering, officials said.

San Mateo County Red Cross officials pointed out that 99 per cent of the contributions made by Americans to their local chapters are spent right here in the United States to purchase the necessities of life for refugees.

"Every name is important," Mayor Fahey said today. "Daly City has grown substantially since the last census ten years ago. We urge the cooperation of every citizen in making sure that that increase shows up in the official reports."

Arrest Youths For Long Series Of Burglaries

A series of more than fifteen burglaries which have baffled Peninsula police officers for a year and a half were solved by Police Chief James G. Reardon Thursday.

Two 17-year-old Daly City youths, arrested after a home-made motor scooter had led to their detection, admitted staging the burglaries in Daly City, San Francisco and San Mateo county, according to Chief Reardon.

Several hundred dollars worth of loot was recovered. Found hidden in the basements of their homes, it consisted of approximately two truck loads of guns, motors, a wheelbarrow, rope, shovels and other tools.

The boys' "jobs" included the theft of a gasoline motor from the Lake Merced golf course September 25 of last year; two motors from the Holy Cross cemetery June 29, 1939, and tools, gas, and oil from the Balboa quarry in Colma last April 19, authorities said.

A month ago they broke into the San Francisco Skeet club in San Francisco and took two shotguns and two dozen boxes of ammunition, police said.

According to their asserted confessions, the boys broke into six private residences here, taking a sorted tools. Included among the loot was a bicycle

Hilarious Comedy Is Keynote Of Ice Follies

More showy spectacles and more hilarious comedy is the keynote of the new Ice Follies, the dazzling musical revue on ice now appearing in a completely new edition at Winterland in San Francisco.

The comic note is especially strong. According to Oscar Johnson, one of the producer-stars of the show, the main difference between this presentation and the one which delighted 400,000 persons in San Francisco last year, is the emphasis on comedy.

In addition to Johnson and his partner, Eddie Shipstad, who have been laugh-getters throughout their long and famous career, there are Les Hamilton, the popular Swiss pair of Frick and Frack, and the three bears with a giant snowman in the opening act of the show.

Shipstad and Jonnson have a new routine with a collegiate background. Frick and Frack demonstrate again their amazing antics, but with a new program. Hamilton also has a new routine in which he portrays the part of "Little Miss Snowflake."

Costuming, lighting and production have all been changed to make this great ice revue a thoroughly spectacular production. Scenery, too, has been changed to conform with the Arctic theme of the opening number. The same great cast of stars who appeared at Winterland last year is here again.

The Ice Follies is playing nightly to capacity audiences again this year as it did last year, according to Johnson. Advance ticket reservations may be made at Winterland, Post and Steiner streets, San Francisco, Walnut 0112; or at Sherman Clay box offices in San Francisco and Oakland.

Druids Honor Madeleine Fellows At Jackson

Mrs. Fellows was presented to the installing officer by her mother, Mrs. Victorine Lombard, who wore net and lace of aqua blue.

Mrs. Lombard handed her daughter the lovely bouquet of roses for her arm piece. Later, Mrs. Fellows received many more flowers and gifts from friends.

During the grand march, Mrs. Fellows was escorted by Noble Gran Arch Victor Zampatti. Attending members were Miss Ethel Hill, Mrs. Martha Wegner, Mrs. Winifred Evans, Mrs. Eleanor Wilson, Mrs. Grace Hill, Mrs. Minnie Bernardi, Mrs. Florence Thorsen and Mrs. Agnes Prescott. Miss Roselyn Rosenberg, Horace Fellows and Mrs. Victorine Bernardi also made the trip.

Pansy Jewett Abbott Urges Budget Cuts

Games were played and refreshments served under the direction of Miss Clara Mitchell, assisted by Miss Marie Bell.

Another social is planned for the immediate future.

"I Am An American" Week

June 23-29 has been set aside as "I Am An American" week with observations on Treasure Island.

We hope that, in addition to participating in the ceremonies, each of us will take the time for some good hard thinking on what it means to be an American, on what the ideals incorporated in such a statement mean.

In these days we need to know what it means to be an American and how dearly we value the attendant privileges and duties.

PROCLAMATION FOR DALY CITY'S OBSERVANCE

I, JOHN J. FAHEY, Mayor of Daly City, do hereby proclaim this week of June 23-29 to be "I AM AN AMERICAN" Week in Daly City.

"I AM AN AMERICAN" Week is dedicated to the benefits of our American heritage, benefits that are also being commemorated during "I AM AN AMERICAN" week at the Golden Gate International Exposition on Treasure Island with special performances of the Exposition's Theme Spectacle "AMERICA! CAVALCADE OF A NATION."

America—our country—stands today dominant in a war-torn world, the bulwark and hope of democracy, the prayer of civilization, the transcendent power for peace. No man can say, at this time, what any tomorrow may bring forth, but all men must say, if they speak the truth, that America will be found standing reliant, steadfast, mighty, whatever the chaotic end of this senseless war may be, fighting, and leading the fight, in the most important of all battles—the battle for a just and enduring peace among all the peoples of the world.

The only way to judge the future is by the past, and to that end there is here presented on Treasure Island "AMERICA! CAVALCADE OF A NATION," which brings the story of the building of our Republic from its pioneer beginnings to the glory and greatness of the present; tells the tale of discovery, of development, and dauntless progress to the greatest achievement in the making of a free country for free men the world has ever known—The only Nation in History where "Life, Liberty and the Pursuit of Happiness" is not merely a political mouthing but is a resplendent American truth.

In times like these, it seems eminently fitting that a special week be set aside of, by and for the people, to count the blessings of living under the American flag and to reaffirm our faith in American ideals and institutions.

From the pages of the past, as re-created by the Exposition's Theme Spectacle, we can all draw inspiration and strength to meet the problems of the present.

It is my hope, therefore, that all citizens, patriotic societies and governmental agencies will join with us in an observance that will be a living and forceful demonstration of the American spirit.

To this end I respectfully bespeak the cooperation of the radio, the press and the public.

The course of world events demands more than ever before in our history that each and every one of us proudly declare "I AM AN AMERICAN."

(signed) JOHN J. FAHEY,
Mayor of Daly City.

Merle Oberon, George Brent Are Co-Stars In Film

Daly City theatre's new film, starting tomorrow, will be "Til We Meet Again," co-starring Merle Oberon, the lustrous star of "Wuthering Heights" and George Brent, the reckless hero of "Fighting 69th." Directed by Edmund Goulding, whose most recent successes include "Dark Victory" and "The Old Maid," the fine supporting cast includes Pat O'Brien, Geraldine Fitzgerald, Binnie Barnes and Frank McHugh.

"Til We Meet Again" is the poignant romantic tale of a man and a woman for whom there was no tomorrow, and audiences who have previewed the film in Hollywood have hailed Miss Oberon and Brent as the ideal love team to portray the dramatic pair. Set against the brilliant background of a trans-Pacific luxury liner, the story tells of the shipboard love affair between a girl who knows that she has but a few months to live and a man who is being brought back to San Quentin to pay the death penalty. Each guards his secret jealously, wishing to spare the other pain.

The knowledge of their impending doom makes their brief time together, doubly precious, and although he finds a means to escape with his life, he gives up his chance rather than leave her.

Geraldine Fitzgerald, the lovely Irish star, who also appeared with Miss Oberon in "Wuthering Heights," plays the role of her friend and confidante in "Til We Meet Again." Pat O'Brien who was teamed with Brent in "Fighting 69th," is cast as the detective who sincerely dislikes his job of bringing Brent back to prison.

As a card-sharper phoney French countess, Binnie Barnes has the type of high comedy at which she excels, while Frank McHugh portrays her partner in crime, Eric Blore plays the rapid English lord from whom they reap a tidy fortune en route.

Companion feature will be "Dr. Cyclops," starring Albert Dekker and Janice Logan.

"Convertible" Shows Gain In Popularity

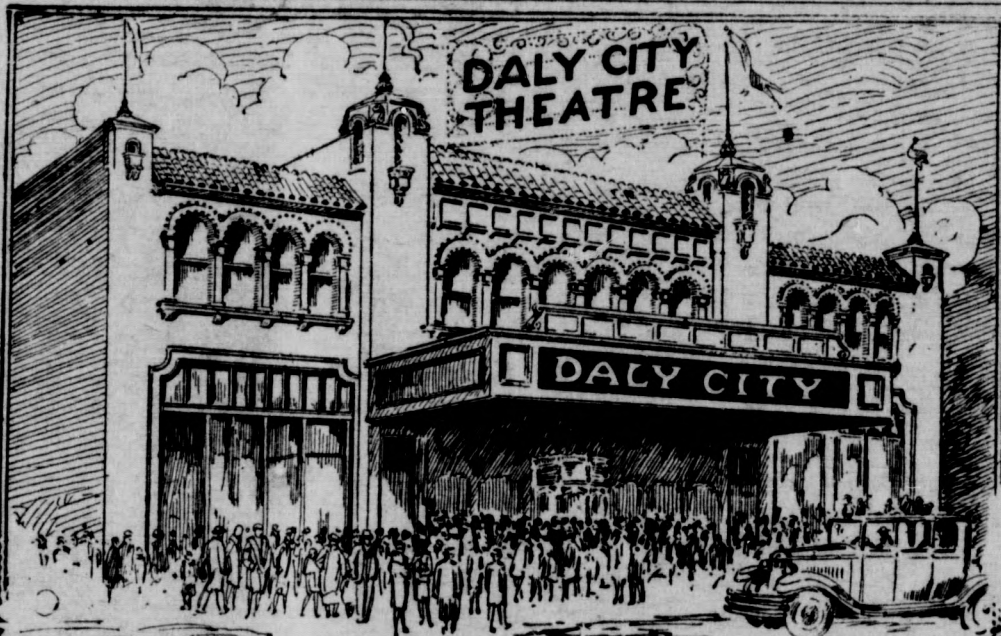

Coming in color combinations that harmonize so well with California landscapes, the new De Soto convertible coupe is gaining more and more favor with the motoring public, declares James E. Donahue, Daly City De Soto-Plymouth dealer.

"The De Soto Convertible eye-appeal lies in the fact that the bodies may be in one color, the seats, of genuine leather, or weather resistant Bedford Cord, may be red, blue or tan, and the tops in optional black or grey," Donahue stated, "giving the motorist a wide range of combinations from which to choose. For instance, the body may be tan, the seats red and the top black. With white sidewall tires, which now come as standard equipment on these custom models, they present a smart appearance so much admired by discriminating car owners.

"A most important feature of the 1940 De Soto Convertible is the location of the passenger seats. Back of the driver's seat on the inside of the car, they are under the hood when it is up. All of the car's passengers may now enjoy the convertible coupe even in the most inclement weather."

The 1940 De Soto Convertible comes only in the custom line, Donahue reports, has ample room for five full grown passengers and has all the specially engineered features of this year's models such as added chassis length, 100 horsepower engine, and the luxurious equipment, now standard, that cost many dollars extra in former years.

CHICKEN FOR DINNER ... and Mmm! it's good with this wonderful sauce

by Dorothy Greig

Fried chicken is served on rice with Mushroom-Parsley Sauce.

MANY a time when mother was planning a meal for guests she had never entertained before she would smile and say "When in doubt serve chicken. Everybody likes chicken." And we all do, for a fact. Roast chicken with savory dressing, chicken fricassee, chicken pie, chicken soup no matter how chicken is cooked, we love that chicken flavor.

Especially does anticipation bound high when fried chicken makes its appearance on the table. Delicately golden and crispy on the outside, succulently tender within, it is a triumph.

The next time you treat your family to chicken, try frying it this way for extra melting tenderness. Then serve it proudly on fluffy rice and, as the last perfect touch, bring on a big bowl of hot and savory Mushroom-Parsley sauce.

Fried Chicken with Mushroom-Parsley Sauce

Cut a 2½ pound chicken into four pieces and roll in seasoned flour. Melt 3 tablespoons of shortening in a pan and cook chicken until delicately browned, then add ¾ cup of water, cover and cook gently for 40 minutes. Remove chicken from the pan to platter. Serves 3-4.

Mushroom-Parsley Sauce:

Empty 1 can of condensed cream of mushroom soup into the pan in which the chicken was cooked and mix well with the chicken pan drippings. Heat and add ¼ cup top milk or cream and 1 tablespoon chopped parsley. Serve with the fried chicken.

The motor scooter which led to their arrest had been made from power lawn mowers and other miscellaneous parts.

They said it appeared that only a few of the items had been disposed of, and these by trades for other articles.
